FOR IMMEDIATE RELEASE:

EVERGREEN CELEBRATED ARBOR DAY WITH SEEDLING GIVEAWAY & FAMILY FUN

Wyoming, PA, May 1, 2018 – Family-friendly activities and a giveaway of 1,000 White Pine seedlings was the highlight of the Evergreen Family of Companies’ Arbor Day Celebration held on Saturday, April 28, 2018.

This celebration, held at the corporate offices of Evergreen Companies, Inc., offered children the opportunity to touch, sit-in, and explore various types of heavy equipment including skid loaders, dump trucks, and excavators. [Wyoming Hose Company #1](#) also attended the event and surprised families by displaying their new fire truck.

Children created eco-friendly crafts, had their faces painted by [Face Painting with TLC](#), and also enjoyed ice cream while watching heavy equipment demonstrations. The first 100 children also received free Arbor Day T-Shirts. The free, family-friendly event was sponsored by the Evergreen Family of Companies.

About Arbor Day – Arbor Day, the oldest environmental holiday, is a tradition dating back to April 1872 when 1 million trees were planted in Nebraska and has grown into an internationally celebrated event. Trees are a critically important part of sustainability and protecting the environment. They fight climate change by removing carbon dioxide from the air, reduce energy usage by providing natural shade, and beautify streets and parks.
